BIKE 100 MILES IN JUNE

How the challenge works:

Set up your fundraising page!

Be sure to personalize your page and let people know why you're participating. Share your challenge progress here throughout the challenge using pictures, videos, or just posting an update. Find the link to create yours in the challenge group!

Share your page now!

People can't say yes to donate if you don't ask them. An easy way to ask is by sharing your page - just click the "Share" button or "Invite Friends" on your fundraising page. Post your progress each week and tag #Bike100Miles to inspire others to donate.

Donate to your own page.

Donating even a small amount to your own page shows people that you really care about what you're doing and will encourage others to do the same!

Know where to post updates. To track your progress, post on your fundraising page.

You can post in the group if you are looking for support, inspiration or ideas on fundraising and completing the activity.

Thank your supporters!

Don't forget to thank your friends, family and everyone who has donated to you. You will get a notification on your fundraising page when someone has donated, so make sure to comment and say thank you!
